# CUSTOMISED FOR YOU

***Stratco has been living HowTo since the dawn of the 'Great Australian Dream' of home ownership. HowTo is evident in our heritage of manufacturing and our traditions of craftsmanship and skill.***

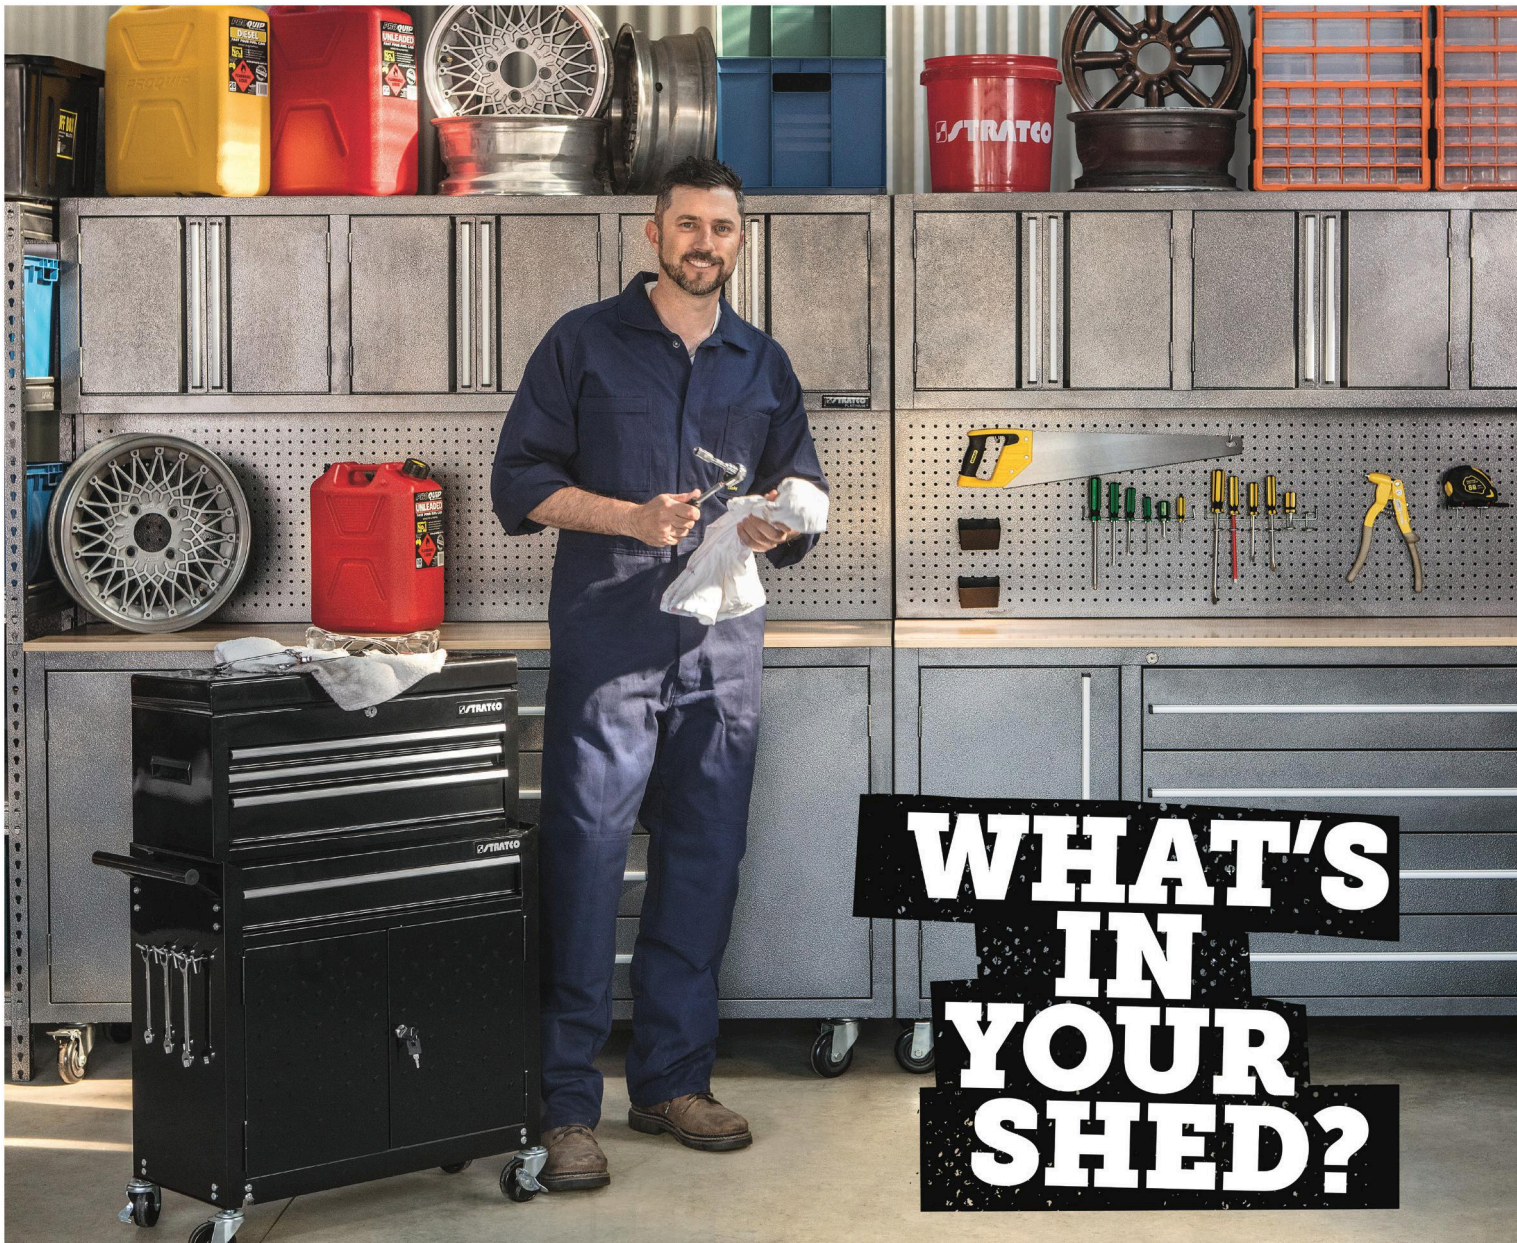

A commitment to innovation and engineering ensures that our comprehensive range of domestic, industrial, rural and cyclonic sheds offers you the very best in design flexibility, quality and value. Built for Australian conditions with 100% Stratco HowTo.

With qualified shed specialists and displays in-store Stratco will work with you to design a shed or garage specifically to your needs and location. With council approval packs and comprehensive instructions, we can

help you to do-it-yourself, or recommend licenced installers who can provide professional installation for you.

Our dedicated buying team scour the world for innovative shed accessories and storage solutions for you to be able to personalise and maximise the functionality of your new or existing shed.

This is our reason for being; our higher purpose; we are here to help you find HowTo. *Stratco can help turn your dreams into reality.*

# WHAT'S IN YOUR SHED?

The Stratco Platinum range. See page 19.

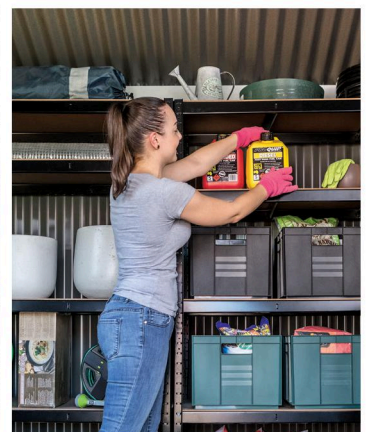

# WORK, REST & PLAY

*Australian's love our sheds, they're where we pursue and protect the things we value the most; our passionate pastimes, personal treasures and prized possessions.*

Keep it all safe and secure in a strong, durable shed from a manufacturer you can trust. Stratco has over 70 years of experience in the industry and all our sheds are designed and tested to relevant Australian Standards and Building Codes and certified by independent structural engineers, giving you peace of mind for many years to come.

The Stratco Platinum range is the perfect storage solution for any shed, no matter how big or small. Platinum is a modular system, including draws, cabinets and bench tops, allowing you to mix and match the pieces to build a storage system to suit your shed. New modules can be added as your space and needs change. Solid steel construction and sturdy reliable key locks will keep all your valuable and dangerous items safe and secure.

## HowTo Tip

Stratco fences and screens keep your garden safe and make great looking backyard features.

ZINC/AL HANDI-SAVER SHED  
1.50m x 0.76m x 1.9m

# GARDEN SPACE SAVERS

**W**ith a deep, structural wall profile and simple, sturdy construction the Stratco Handi-Mate® is a superior garden shed designed to withstand the rigours of everyday use.

Two door styles are available; a space saving sliding door, or a double skinned hinged door for extra strength and security.

Available in-store or online, ready to go, Handi-Mate sheds come as a complete package with clear concise instructions, HowTo online videos and all the components needed to finish the job. Although they're an ideal do-it-yourself project, Stratco can also recommend a professional installer to do the job for you if preferred.

With an extensive range of sizes, colours and accessories, there is a Handi-Mate shed perfect for any application and every backyard.

Stratco  
Handi-Mate Sheds

Make the most of the space in your Handi-Mate shed with our Stratco made shelving kits. The Stratco Space Saver two shelf unit is specially designed to hook over the top of the Handi-Mate shed wall to maximise usable floor space. The Stratco Rivet Lock and Slot-n-Lock shelving systems, with solid steel construction and sturdy MDF shelves, are an economical way to keep your Handi-Mate shed neat and tidy. Stratco Rivet Lock and Slot-n-Lock shelving systems come flat packed for easy transport and require no tools to assemble. See page 18 for more details.

# LEADING EDGE STYLE

**W**ith the latest concealed fixings framework and smooth finish walls, a Stratco Handi-Hilander shed will become the centre piece of your garden.

The Handi-Hilander offers new levels of style, strength and functionality in a garden shed. Made from quality components, combined with strength and functionality, Handi-Hilander garden sheds are a lasting investment.

An internal galvanised frame provides superior strength and durability, and the unique slot-n-lock construction simplifies installation, providing clean joins throughout. A steel framed door will keep your possessions secure.

MODEL	WIDTH	DEPTH	WALL HEIGHT
HH1	2.48m	2.63m	1.95m
HH2	3.25m	2.63m	1.95m

HH4	4.00m	2.63m	1.95m

Stylish gutter and downpipe kit included and 'On Concrete' footing kits sold separately. Dimensions are wall height and (approx.) roof size.

OFF WHITE<sup>1</sup>    MERINO<sup>2</sup>    GUN METAL GREY<sup>3</sup>

Handi-Hilander sheds are available in three popular and modern colours and when combined with Hiland Tray steel roof and wall sheeting exudes a contemporary and sophisticated architectural style. We have everything for your backyard from a garden shed to a mower to mulch, Stratco has the HowTo and all the essentials in-store to keep your garden looking great.

WIDTH	DEPTH	WALL HEIGHT
3.16m	3.16m	2.4m

Single roller door shown. Also available with double personal access doors.

# LITTLE MISS MOTORCROSS

*The Stratco Stubbie is the perfect shed for when space is limited but strength is a non-negotiable.*

The sturdiest small shed on the market. Get the quality, engineering and steel sections that you'd expect in a large shed in this compact Stratco shed.

The Stubbie is a half-length garage and the square dimensions make the Stubbie a practical shed under 10m<sup>2</sup> that can fit into backyards where space is an issue.

Double Personal Access Door

Featuring an extremely practical 15 degree gable roof, tough C-section steel frame, bolted hi-tensile connections and either a roller door or a double PA (Personal Access) door in the gable end. The Stubbie Shed is available in a range of popular colours to blend into and compliment the garden environment.

Footings can be embedded into the ground or bolted onto concrete.

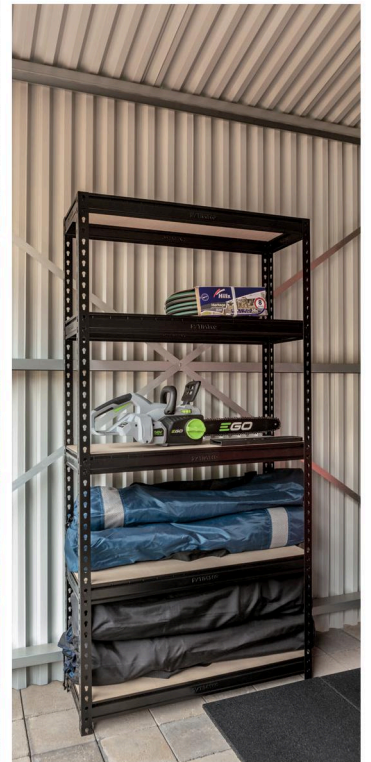

Stratco garden beds, irrigation and garden accessories.

Stratco  
Stubbie Sheds

Stratco storage and workshop kits. See page 19.

**HowTo** Tip

Your shed doesn't need to be hidden, make it pop with a contrasting colour Stratco fence!

Stratco fencing and screening products will add that finishing touch to your yard.

Ready to Go: Stocked Smartspan® Stubbie (Slate Grey, Merino or Primrose only)

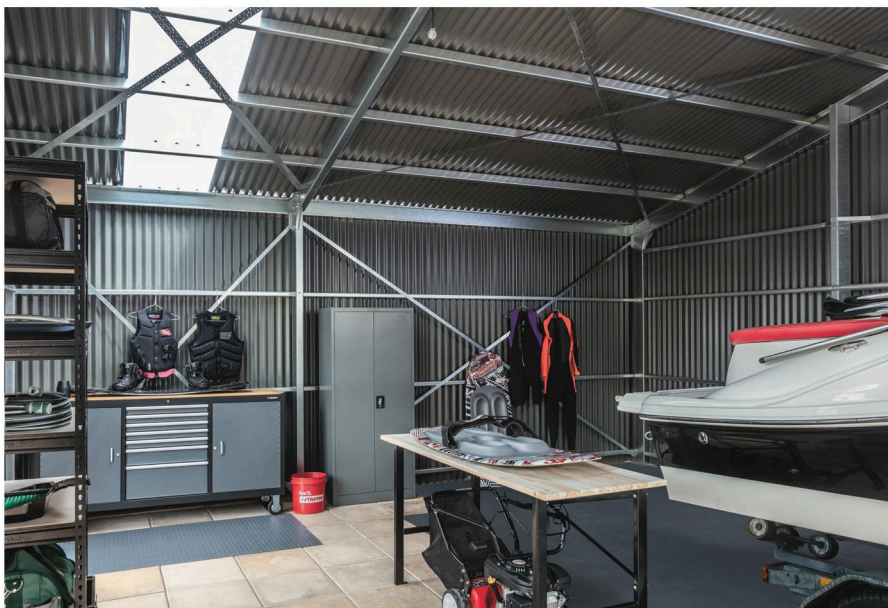

Stratco fences.

See page 24.

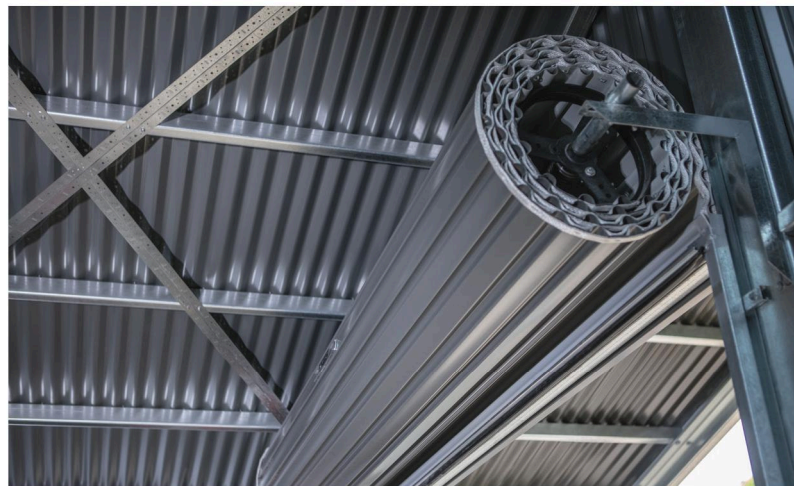

# MARITIME MASTERS

## HowTo *Tip*

Turn the work-place into a fun-place!  
Customise your shed's door openings so  
everything is easy to access.

**Whether storing boats and cars, tinkering on a toy or working on household repairs, the perfect place for building memories is a Stratco Gable Roof Shed designed and manufactured just for you.**

Maximise the functionality of your shed to the floor area available. Select the number, position and style of the doors you require, including sliding, roller and personal access doors. Add skylights and/or windows for improved light and ventilation. Select roof profiles from traditional Corrugated or Cooldek insulated panels, and wall panels from Corrugated or Superdek. If the side of the shed is to be built on a boundary, internal box gutters can also be ordered. Then choose the colour scheme of your Stratco Gable Roof Shed from the wide range of colours available.

*Stratco will provide all the engineering documentation for council approval and comprehensive DIY instructions or we can recommend licenced professional installers for you.*

Large spaces can quickly become untidy but with our storage systems there's a place for everything and everything will be in its place.

Our Roller Tool Chest, with heavy duty castors and quality drawers and cabinets, allow you to move your work station where you need it. Complementing this is our Steel Frame Work Table and the Titanium range cabinets are great looking and keep everything neatly tucked away. The flexibility of Rivet Lock Shelves allow you to create any shelf height combination with a shelf weight rating of 200kg so you can store everything you need with easy access.

Platinum modular storage system. See page 19.

# BESPOKE BIG BUILD

*Australia's a big country and when you need a big shed nobody does it better than Stratco. We can design a shed to suit your specific requirements.*

Stratco Large Span Sheds are fully engineered and supported by one of the largest, and oldest steel building product manufacturing companies in Australia. Our comprehensive 15 Year Structural, 10 Year Paint Finish, and 10 Year Perforation Warranty gives you peace of mind that you are buying a quality shed that will stand the test of time.

Stratco has developed a range of customisable Large Span Sheds to suit every situation. Whether it's rural or industrial, we build the best looking,

most structurally sound and versatile sheds available in Australia. Our Sheds give you more storage, extra workshop space to work all year round and protection from the elements for boats, caravans, cars, tractors, trucks, semi-trailers, machinery and tools.

Stratco sheds can be more than a home to cars, boats and garden tools. With a little customisation it's possible to fully line a shed to maximise your outdoor area.

# CUSTOM DESIGN MANUFACTURE AND INSTALL

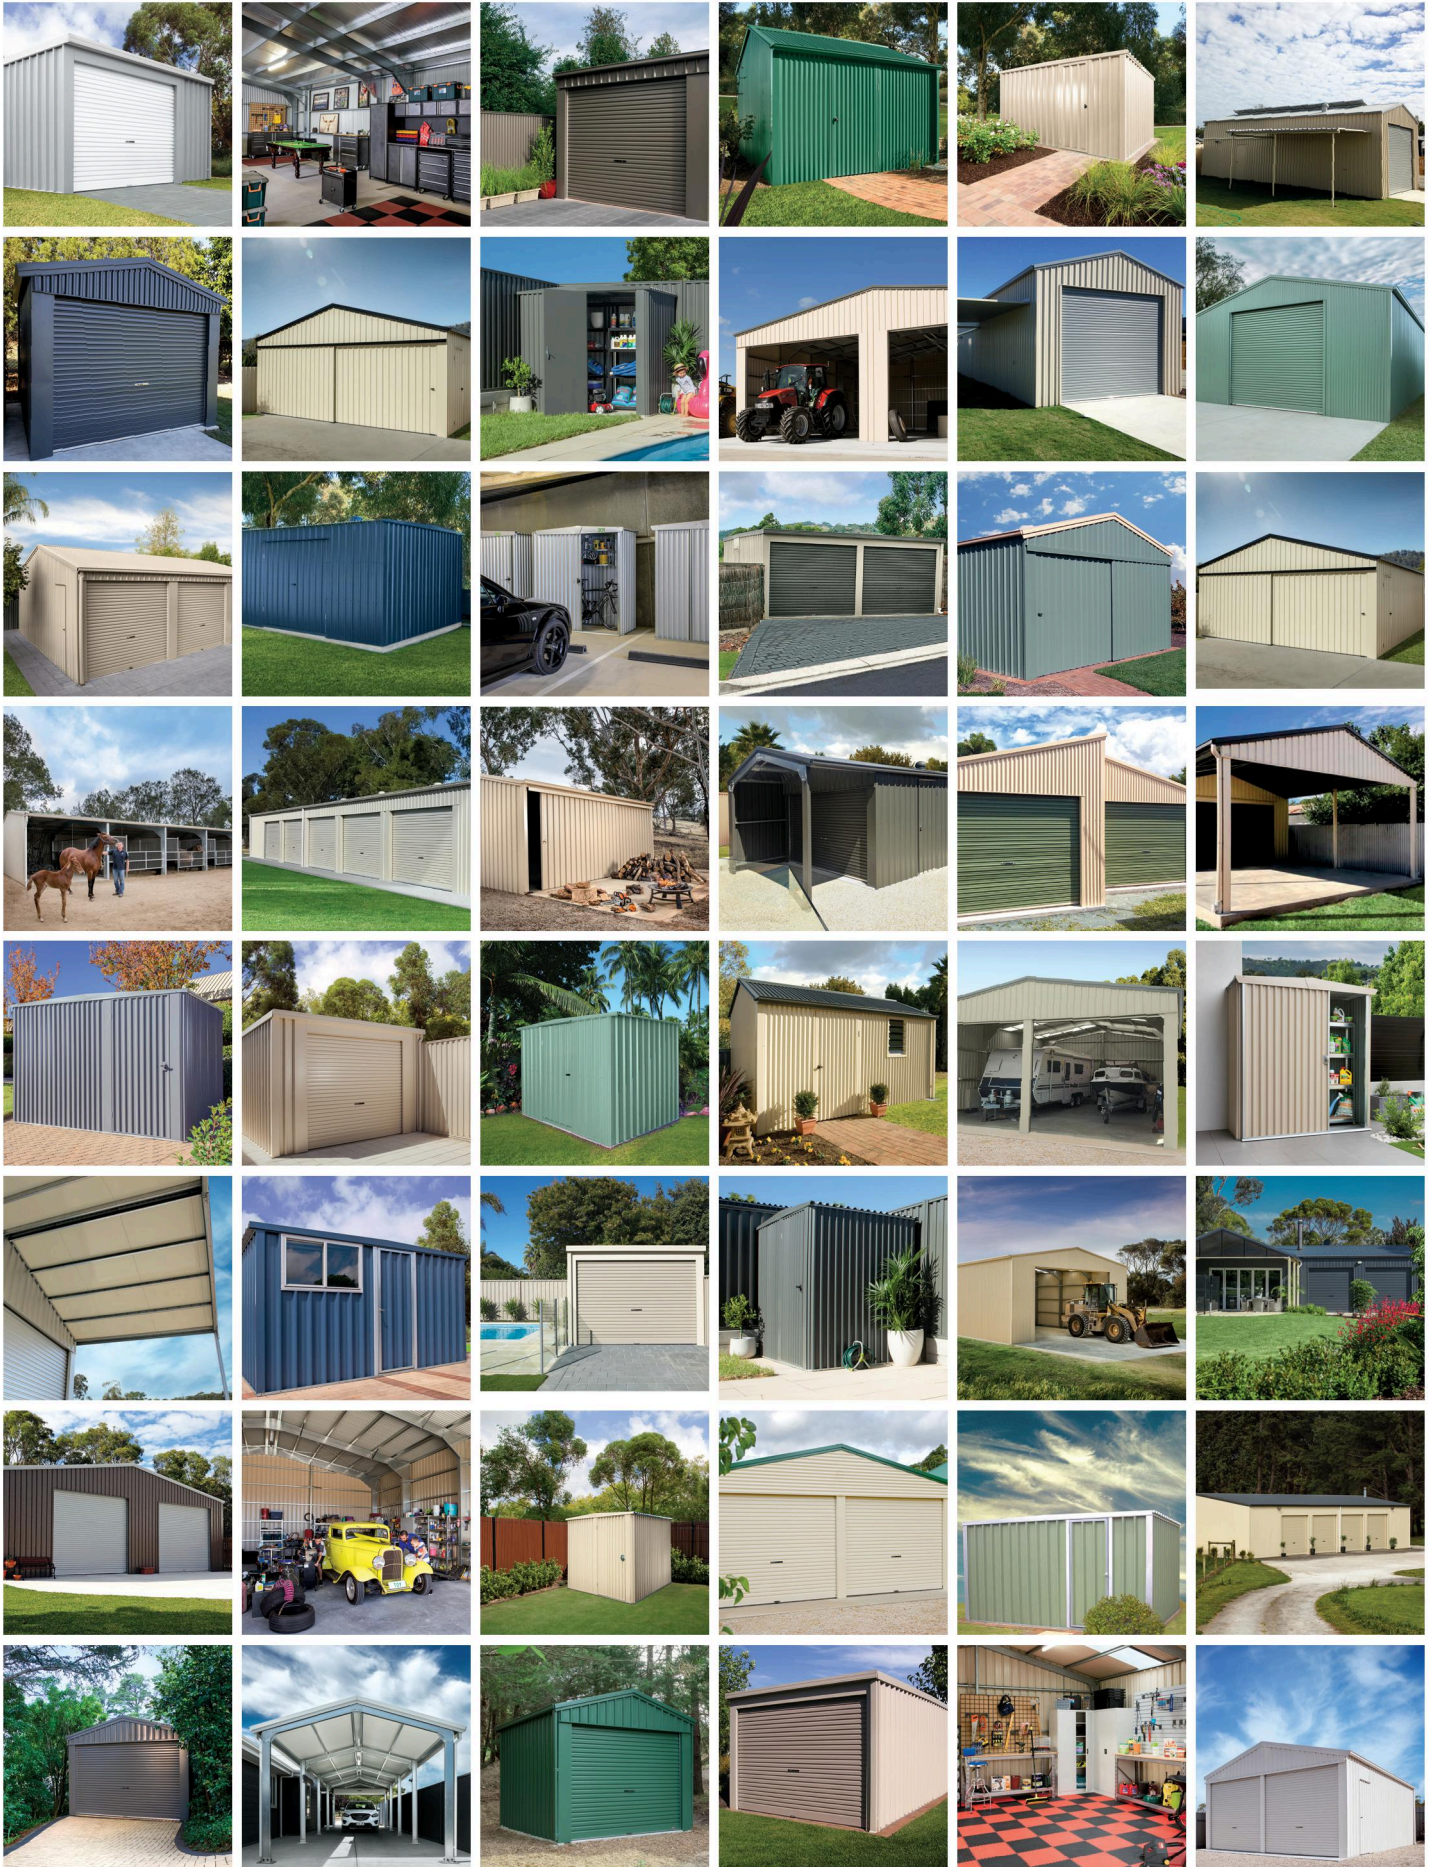

*At Stratco we manufacture sheds in a range of easy to install pre-made sizes or specifically design to individual customer requirements ready for DIY or professional installation. This ensures that your shed will become an integral part of your home and lifestyle.*

Stratco's in-store design team will help you through every step of the process, from concept through to installation. With the widest range of designs and options available, backed by industry-leading engineering support, Stratco HowTo ensures you'll love your new shed and want to share it with friends and family for many years to come.

*For those about to Rock, we'll bring the HowTo.*
